WHAT WE'VE BEEN UP TO...

Myths and Legends week was truly magical. From witches and wizards, to mermaids and fairies and even unicorns and dragons. We had so much fun doing magical themed crafts and making our own OSH Club fairy garden.

Father's / Special Loved One's week saw us all tap into our creative skills and make personalised gifts for our Dad's / Loved One's that they can cherish forever. From designing our own badges, to water colour painting cards and canvas magnets to stick on the fridge. It was a week filled with lots of crafting, smiles and hugs, when gifted to the one's we love most.

This week we are in the middle of **Reptile Week**, where we're learning about all things Reptiles and doing fun reptile themed crafts.

Nest week is the last week of term, so we are having a **Party Week** to celebrate the end of term in style.
